

**Oregon Potters Association**

**High School Gallery Release Form**

To all high school teachers and students who will display work in the High School Gallery at the Oregon Potters Association (OPA) Showcase. This is to inform you that all work displayed is at the “**Artist Own Risk**”. By displaying work and signing this form (you the artist and the school representative) release the Oregon Potters Association, the Showcase Steering Committee, the Convention Center, the High School Gallery set-up crew or patrons of Showcase from responsibility of lost, broken or damaged artwork. The OPA and High School Gallery set-up crew will do their best to insure artwork is handled and displayed in the safest manner possible, but if there happens to be an accident involving lost or broken artwork it will be the determination of the Showcase Steering Committee to determine reimbursement or compensation.
