

Parental Permission Form 2019

Dear Parent:

Every spring, the Oregon Potters Association sponsors the OPA Ceramic Showcase, the largest all-clay exhibition in the U.S.A. This year's show will be held at the Oregon Convention Center from April 26-28, 2019 as part of the Gathering of the Guilds where hundreds of local artists show their work. The show is open to the public. The exhibition hall includes a special section for the High School Scholarship Competition. One student will be chosen by jury to receive a \$1000 college scholarship for artistic excellence and creativity. The funds will be held in trust and paid as tuition directly to the college entered by the student. The competition is open to all Oregon and SW Washington high school juniors and seniors who complete the application requirements by the deadline of March 23, 2019. Your high school ceramics student is invited to apply. After the submission deadline, the OPA Board will conduct a preliminary review of submitted images, and will select pieces to be displayed. These displayed pieces will then be eligible for the scholarship competition.
